EF Standard English Test (EF SET)

## ABOUT ME

Software engineer, with 2 years and 9 months of experience in programming languages, tools and frameworks.

I'm currently working as a semi-senior programmer.

My experience includes Front-end development in web platform, using Scrum methodology.

About my skills I can remark the pro-activity, self-taught and very much wanting to learn new things within the IT area and the software development.

## PROFESSIONAL EXPERIENCE

### Front-End Developer (Soho)

6/2022 – Current

- Redesign of graphic interface for web platform proposed by the User (Gasco, Zurich, Itau Bank).
